

Undergraduate Research – Activities

UPR – Río Piedras

2017 – 2018

Date	Title	Speaker	Place	Time
November 17, 2017	<i>Polymorphism in the context of my journey back home</i>	Vilmali López-Mejías, Ph.D. Department of Chemistry UPR-Río Piedras	Theater, School of Architecture UPR Río Piedras	1 – 4 PM
December 22, 2017	<i>Designing paramagnetic complexes for their application in memory devices and theranostics</i>	Dalice Cruz-Piñero, Ph.D. Department of Chemistry UPR-Río Piedras	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
January 19, 2018	<i>Temporal organization of the workload in the honeybee society: Shift work rules from the invertebrate world</i>	José L. Agosto, Ph.D. Department of Biology UPR-Río Piedras	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
January 24, 2018	<i>Conversatorio: Herramientas para el éxito en ruta a estudios graduados [Tools for success en route to graduate studies]</i>	Mariluz Franco-Ortiz, Ph.D. Coordinadora de Adiestramientos UPR-IPERT UPR-Río Piedras	CN-142 UPR-Río Piedras	11:30AM–12:45PM
February 9, 2018	<i>On mathematics, education, and research</i>	Fernando Piñero, Ph.D. Department of Mathematics UPR-Ponce	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
March 23, 2018	<i>Research in Industrial engineering and energy use in buildings</i>	Ms. Camille Quijano and Mayra Méndez, Ph.D. Department of Industrial Engineering UPR-Mayagüez	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
April 11, 2018	<i>Opportunities for graduate studies in STEM</i>	David Shafer, Ph.D. Assistant Dean for Outreach and Diversity The Graduate School North Carolina State University	To be announced	11:30 AM–12:45PM
April 13, 2018	<i>Frogs, system science, and research in biology/ecology</i>	Neftalí Ríos, Ph.D. Department of Biology UPR-Humacao	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
May 4, 2018	<i>Research on atmospheric chemistry in tropical environments</i>	Olga L. Mayol-Bracero, Ph.D. Department of Environmental Sciences UPR-Río Piedras	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
May 11, 2018	<i>Applied ocean science and engineering research</i>	Miguel Canals-Silander, Ph.D. Co-Director UPRM Center for Ocean Science and Engineering Departments of Engineering Science and Materials and Marine Science UPR-Mayagüez	Room 341-A Resource Center for Science and Engineering UPR-Río Piedras	1 – 4 PM
